SAN JOSE STATE COLLEGE

Vol. 42 SAN JOSE, CALIF., THURSDAY, APRIL 22, 1954 No. 125

Students Believe US Should Fight

Students at San Jose State favor intervention by the United States in the war in Indochina if the Communists begin to win the war, according to a public opinion symposium taken yesterday on campus. Of the students answering the poll, the majority said the United States should enter the conflict if it looked like the war would be lost to the Communists.

Chem Society To Meet Here For Two Days

An invitation is open for interested students to attend the regional convention of the Student Affiliation of the American Chemical society at SJS tomorrow and Saturday.

Sponsored by the State chapter, the convention, to be held in S112, will feature 20 student speakers, an address by Luman Ney of Stanford Research Institute and two general interest demonstrations, according to Alvin Beilby, chairman.

Ney, a biochemist, will address the group on the subject of "Use of Nuclear Radiation in Food Processing"-at 7:30 p.m. in S112.

SJS students presenting papers will be Kenneth Harmon, Alan Grauer, Alvin Beilby and Frank Waxham, according to the program distributed by the society.

A field trip Saturday to Permanente Cement will start at 8:30 a.m. from in front of the Natural Science building.

A titration contest with two representatives from each school will be held at the Student Union from 9 until 9:45 p.m. Chairman Beilby declined to attempt to explain what "titrating" was to those uninitiated to chemistry.

Council Agrees On Delegates

The Student Council decided yesterday afternoon to send five delegates to the Pacific Student President's Assn. meeting at San Francisco State college in May.

In an uneventful meeting, the council debated whether to send four delegates or five. The larger number was decided on. Delegates to attend will be ASB President John Aitken and the new ASB president to be elected in May, Bill Eckert as vice president and the new vice president also will attend. The new ASB treasurer will complete the delegation.

Plans are also in progress to include the new recording secretary among the secretaries to be sent to the PSPA session.

In other action, the council approved a Board of Control action which set Winter quarter, 1955, as deadline for paying back to the council of \$250 lent to the Junior class. The Board of Control recommended that if the money is not paid back by then it will be taken out of senior dues.

Aitken also reported that Juanie Green, ASB recording secretary, is seriously ill and in the Health Cottage with poison oak. She is expected to be in the Health Cottage for the remainder of the week, Aitken said.

Group To Meet

There will be a meeting of the American Assn. of University Professors today at 12:30 p.m. in Room H17, according to the English department.

General discussion will prevail as there is no guest speaker. Those attending are advised to bring their lunch.

Following are the opinions expressed to the question, "If the Communists begin to win the war in Indochina, should the United States intervene?"

Hermi Jimenez, sophomore, pre-nursing major—"Yes, because it will support the rest of the free world and it will help others, which will help ourselves."

Ralph McElroy, freshman, pre-dental major—"I think that the United States should help with money and supplies along with ground troops, if necessary."

Shirley Harris, senior, business administration major—"No, we saw that Korea didn't work when we went into that country and it probably wouldn't work in Indochina."

Fred Roettger, senior, sanitation major—"I am in favor of giving as much material support as possible, but against sending men into the conflict."

Lee Laugenour, senior, business administration major—"I am in favor of intervention because if we allow the Communists a start, they will take the advantage and over-run the rest of Asia."

Shunji Ito, junior, commercial art major—"I am against sending men into the battle until the United States assigns each nation a quota of fighting men, and the United States is sure that she will not be the only country fighting or carrying a majority of the physical and financial burden of the war."

Larry Larsen, freshman, business administration major—"I am in favor of intervention because if the war is not stopped, the Communists will over-run Indochina and probably Malaya and Thailand."

Frank Sorano, junior, education major—"Since the Reds are fighting in Indochina, we are bound to help the French as we did the Koreans."

Eileen McBride, senior, French major—"Yes, because we should stay a friend of the French and they would resent it if we did not help them."

Neva Nelson, junior, English major—"I do not think that we should go in alone, but support the United Nations if they decide to support the French in the conflict."

Committee Asks Rules Clarification

A recommendation that a query be sent to the President's Council to clarify the policy of absences since the junior college has been removed from the campus was made by the Fairness committee which met yesterday for the first time this quarter.

A report was made on a comprehensive poll to be taken by the Fairness committee on students' attitude toward fairness standards. Miss Frances Gulland reported the poll will be taken soon.

Committee members present at the meeting were E. A. Robinson, chairman; Dr. Arthur Williams, secretary; Dr. William Gould, Willard E. Schmidt, Miss Frances E. Gulland, Dr. Ruth Tiedeman, Dr. Harrison Heath, Dr. Leo Kibby and Dr. George Bruntz representing faculty. The only student body representative present was Betty Kauffman.

'Faculty Frolic' Will Star Versatile Profs Tomorrow

By GARY ENGELL

"Students! Ever want to laugh at your prof?"

Friday night is your chance. Thirty-one members of SJS's faculty will go out of usual character for an evening in presenting the show "Faculty Frolics."

Sponsored by the Sophomore class, the show seems to be adding up to a giant bag of buffoonery with a bit of serious entertainment on the side.

Like old vaudeville days, everything from a mock basketball game and can-can dance to Shakespeare is slated to occur.

For the price of 40 cents for ASB card holders and 60 cents for non-card holders an evening of zany entertainment will be provided with all receipts being given to World University Service.

Tickets may be purchased in the Outer Quad and Graduate Manager's office today and at the box office Friday night.

Listings of the acts include an "eye-catcher" can-can dance. Five girls, whoops! men in the correct attire will carry the evening's performance with a "kick."

Dean "Now you see it—now you don't" Benz magic act is also in the show.

After other comedy acts and a bit of varied entertainment the highly touted faculty men's basketball team meets its arch rivals, the faculty women.

It was reported that both teams lost five stars when the eligibility rules were changed to read "AND accumulative one-point average instead of OK."

Boris "I calls 'em as I sees 'em" Gregory, only basketball official with a doctor's degree, will call the fouls.

Emcee of the show is Dr. Richard Lewis of the Education department. The program will start at 8 o'clock Friday night in the Morris Dailey auditorium.

Property Owners File New Petition Asking Re-zoning

An informal petition requesting the re-zoning of property north-east of the campus for professional and multiple-dwelling uses, which would allow student housing, will be considered by the city planning commission Tuesday morning.

Ed Williams, assistant planning director, said the petition carried the signatures of approximately three-fourths of the property owners and asked the zoning change for an area bounded by Santa Clara and San Fernando streets, and 12th and 17th streets.

These streets presently are zoned R-2 for duplexes. The C commercial zone being sought allows other types of structures, student boarding houses, fraternities and sororities, Williams said. He added that the proponents of the change had not indicated what they wished to do with the property.

Williams termed the petition "a fishing expedition." The request does not begin formal proceedings but merely asks that the commission do so, he explained.

Twice in the past petitions requesting re-zoning of property between 12th and 17th streets have been voted down by the city council, the final authority in all zoning matters, Williams said.

To Hold Try-outs

Tryouts for an original radio play will be held today at 3 p.m. in B93, according to author Tom Winston.

Actors for double roles are needed. All students are invited to try out for parts. Winston will direct the play.

PRACTICING FOR the basketball championship of NCAA (Northern California Assn. for the Abolishment of A's) are members of the Milpitas Mud-Packers (faculty men) and The Alviso Globe-Trotters (faculty women). Their game will be one of the highlights of "Faculty Frolics" this Friday night at 8 o'clock in the Morris Dailey auditorium. Pictured for action are "Perfect" Patsy O'Donnell, left; "Booming" Boris Gregory, referee; "Peerless" Paul Ecker, "Marvelous" Marian Moreland and "Gorgeous" George Bruntz, center. Photo by Roettger.

German Action Team Tours Campus; Sees Departments

A Cooperative Action Team of Industrial Arts department; 2 p.m., Art department; and 2:30 p.m., Natural Science department. After the departmental visits and justice, yesterday.

The candidates' applications are now in the process of being checked by the Registrar's office. lunch, the group will visit Student Y for tea at 3:15 p.m.

The visiting citizens are Miss Klara Becker, director of a vocational school; Dr. Ernst Fisher, part owner-manager of a chemical and pharmaceutical company; Hans Halama, city editor of Allgemeine Zeitung Mainz; Dr. George Pick, chairman and minister of "The Free Religious Community of Mainz"; Mrs. Margaret Scheller, member of the city council; Dr. Quinibert Schavann, Bürgermeister of Mainz; Klaus Districh Ukhun, student teacher; and Paul Wilhelm Wasser, police inspector.

Campaign Rule

No candidates in the coming ASB elections will be allowed to start an active campaign until Monday, May 3, clarified Stan Croonquist, Student Court chief justice.

United Press Roundup

Army Checks Sports Figures At Ord, Including Ex-Spartans

SAN FRANCISCO, April 22—Sixth Army headquarters revealed today it has submitted a report to the Army in Washington on the activities of athletes now in service at West Coast bases.

The report was expected to be submitted to a Congressional Armed Forces sub-committee which will determine if athletes and entertainers get preferential treatment.

The San Francisco Chronicle said Ford Ord had formed golf and track teams for Army personnel who were top performers in civilian life, including Ken Venturi, former state golf champion, and Lang Stanley, former 880-yard collegiate champ, both former San Jose State athletes.

MONEY STINKS

WOODLAND, Calif., April 21—Eugene A. Baier, 30, arrested last December because his money smelled of mothballs, was ordered put on mothballs himself for one to 15 years yesterday.

Baier drew the sentence on conviction of a theft of \$2,000 from

Jose Lopez, of Broderick, Calif., last Dec. 8. The money had been kept in a suitcase in mothballs and Baier was arrested the next day in Reno, Nev., when a used car dealer became suspicious when Baier paid him money which smelled strongly of mothballs.

ORINDA PHONE CABLE CUT

ORINDA, Calif., April 21—About 800 Orinda telephones were put out of commission this morning when a grader, working on the construction of an overpass on State Highway 24, dug up about 20 feet of telephone cable.

GAMBLING IN PESOS

NUEVO LAREDO, Mex., April 21—Eager speculators, many of them of "modest means," thronged Nuevo Laredo banks today to buy Mexican pesos at the rate of 12½ to the U.S. dollar.

The peso buyers were gambling that the Mexican Govt. made a mistake Sunday when it cut the official value of the peso from 11½ cents to eight cents in United States money, and betting the peso would become more valuable.

Drop Deadline

"The time has come," reports the Registrar's Office.

Monday, April 26, is the last day to drop classes without receiving an "F" or "WF."

Only by special permission may a student change programs after this date.

Police Society To Hold Dinner

Annual Chief Black Banquet of the Chi Pi Sigma, honorary police fraternity, will be held May 8 at Bill's Shanghai Restaurant, according to the police school student staff.

The dinner is in honor of Chief Black, former police chief of San Jose, in appreciation for the help he has given the school in setting up its training program.

In conjunction with the banquet, there will be a reunion of former members and an open house at the Chi Pi Sigma house, 79 S. 7th St.

According to Chuck Bucher, publicity chairman, invitations have been sent to all former members of the police school and to law enforcement leaders in the state.

La Torre Editors Reveal Deadline

Copies of the 1953-54 edition of La Torre, college yearbook, will be on sale at a booth indicated by the six-foot "La Torre Special" today from 8:30 a.m. to 3:30 p.m., La Torre staff members stated.

Deadline for payment of the remaining \$3 on a \$3 deposit for students who reserved copies of the yearbook is May 31.

Students also may purchase the yearbook at the Graduate Manager's Office from 9 to 12 p.m. and 1 to 5 p.m.

IA Club To Enter Cart in May Race

The Industrial Arts club will enter a cart in the pushcart relays May 21, according to Derward Burbank, assistant professor of industrial arts.

The club also completed work on their new constitution at a meeting Tuesday noon.

Sigma Chi Dance

Sigma Chi pledges and actives will attend a dance honoring new initiates Friday night, according to Jim Cottrell, publicity.

Music will be provided by an eight-piece orchestra for the dance at the Hotel Lyndon, Los Gatos, from 9 p.m. to 1 a.m.

Thrust & Parry

Election Fallacy

Dear Thrust and Parry:

I would like to point out to the students of San Jose State College the fallacy of electing a candidate to office on the basis of the number of positions or offices held by that candidate in the past. In the past ASB elections, the office seekers have tried to prove that they were in more activities than the other candidate. Important issues were never mentioned.

Signs erected around campus have just simply stated "Vote for (—), Past Pres. of Class, Past Rep to Student Council, and on Rally Board, etc., etc." No mention has been made on how a person feels on issues confronting the ASB or EVEN what the candidate did in these previous posts that was worthwhile.

As Senior Representative to the Student Council this past year, I have been able to see the results of this type of campaigning. I consider it truly unfortunate for the Student Body as a whole. Let us see what would happen if this same type of campaigning was used in the national elections. Our president would be the person who had held the most offices prior to the election, regardless of philosophy.

Our President today probably would be James Byrnes, present Governor of South Carolina, who has threatened to abolish the state's public school system if racial segregation is declared illegal. Mr. Byrnes HAS BEEN a member of the House of Representatives, A US Senator, Governor of his state, Justice of the Supreme Court, Secretary of State, and US Delegate to the UN. Thank God that national elections don't follow the pattern of campus elections!

In the forthcoming elections, I urge you to force the candidates to tell how they stand on all major issues facing the ASB. Let's make this election one of issues and not of personalities and past conquests.

DAVID R. DOERR
ASB 1254

Council Approves New GE Courses

Five plans for meeting the Social Science General Education Requirements have been approved by the President's Council.

These plans, except Plan A, will be inaugurated for the first time in the fall of 1955. It is important for the entering student to select the particular plan he wishes to follow in meeting the requirements, according to the report from the President's Council.

The plans are identified as follows:

PLAN A:

Social Science 1A,B,C (15 quarter units). Special course for students of outstanding academic ability (to be offered for the first time in 1954-55).

PLAN B:

Social Science 2A,B (10 units). An analytical survey of the development, essential quality, and functioning and problems of the contemporary world with emphasis upon man's relationship to his natural and cultural environment and with some reference to the nature and objectives of the basic social sciences. This meets all state requirements.

PLAN C:

a) Social Science 3 (formerly History 3) (3 units). Brief survey of the history of the United States. This satisfies the minimum state requirements in American history.

b) Social Science 4 (formerly Pol. Sci. 3) (3 units). Analysis of the principles and provisions of the American Constitution. It satisfies the minimum state requirements in the U. S. Constitution and California Government.

c) Additional courses in the Social Sciences to complete 10 units.

PLAN D:

a) History 17A,B (6 units). Planned to satisfy in full the state requirement in American History as well as the year course.

b) Social Science 4 (formerly Pol. Sci. 3) (3 units). Analysis of the principles and provisions of the American Constitution. This satisfies the minimum state requirements in the U. S. Constitution and California Government.

PLAN E:

For upper division and transfer students who have not met the General Education requirements, and who wish upper division credit.

a) History 171A,B—History of the U. S. (formerly 171ABC) (6 units). Given primarily to satisfy the state requirements in American History and Government, U.S. Constitution, and the California Government. Only for those who have had no lower division American History.

b) Additional units selected in Social Science to meet the total requirement of 10 units.

Blum's

First Scrum Satisfies Head Football Mentor

By JOE BRYAN

Rough stuff started yesterday as Spartans scrimmaged for the first time in a battle for positions. After it was over, Head Coach Bob Bronzan stated that he was satisfied with the work of the team as a whole and that all of the positions were still open as far as he was concerned.

Coach Bronzan expressed himself especially content with the execution of a floater play that went exactly as the diagram called for it to do. "It's the best executed play I've seen on this field for some time," he said.

Perpetrators of that particular play were Quarterback Benny Pierce, Halfbacks Roy and Pat Hiram and Fullback Dave Fanner.

A pair of ends came in for some praise from the coach. He said he was well satisfied with the work of his "midget" ends Charlie Hardy and Mervin Lopes. Each stands six foot even and weighs about 170 pounds.

Dick Erickson, a quarterback from Everett, Wash. Junior College, was working well for the first time, considering that the quarterback has a tougher time learning a new offense than other backs. Clive Bullian and Fred Delgadillo looked good in their first scrimmage as Spartans.

Through The Dark Glasses

By JOE BRYAN

FAST FOOTBALLERS

After two days of practice in which there have been no time trials we coaxed Coach Gene Menges and Bill Perry into guessing who are the speediest men on the squad. Gene guessed the fastest backs to be Roy Hiram, Clive Bullian and Fred Delgadillo. Clive is a transfer from Hartnell and Fred from Monterey. Roy is the man who broke up the College of Pacific game two years ago and had to lay off last year because of injuries.

Bill refused to lump the linemen together. He said the ends are naturally faster than the others and that the fastest end is Merle Flattley. Close behind him are Merv Lopes and Charlie Hardy. Inside linemen will have to beat Tom Louderback to get the speed title. On Loudy's heels you will find Ed Hayes and Jack Adams. Jack is the tackle who returned from military service this year. He was a starter as a sophomore on the 1951 squad.

DON'T DO IT AGAIN!

Last week on the evening prior to the All-Comers meet at Stanford two of Coach Bud Winter's trackmen were taken for a 10-mile ride from which they had to walk home. The track nappers in this case were fraternity brothers of the two men. We're not naming the two fraternities involved nor the two men, but if such a thing happens tonight it could well cost the team tomorrow night's meet with Fresno State. Every point counts tomorrow night so show some school spirit and let the thinclads get their rest. As a part of the student body here, these fraternities ought to be rooting for SJS teams to win, not hindering them.

Konon's Kalender

Freshman Baseball—Capuchino High School at Spartan Stadium, 10:30 a.m.

Tackmen Meet Fresno; Frosh Travel North

Coach Bud Winter put new shoes on his relay team and spent most of the afternoon polishing performers who will do stunts in the field events as the San Jose varsity got ready for tomorrow night's fray with Fresno State.

Winter announced that he will take 33 men to Fresno. To make sure that the team knows that he wants to win badly signs naming the Raisin City are plastered all over the locker room and the milkshake chart is up already.

While the varsity is preparing for the Fresno meet, Coach Bob McMullen's Frosh are readying for a tilt with the Santa Rosa JC trackmen. Coach McMullen has a 16-man squad ready to travel north tomorrow by automobiles.

Named by McMullen for the trip were: Don Armstrong, who will compete unattached, Billy Jo Wright; Jo Mears, Larry Collier, Ned Warriner, Bob Rader, Chuck Hightower, Jay Piercey, Bob Penser, Horace Mann, Art Bell, Jack Rennikka, Roy Meyer, Bob Lewis, Bob Shockley, Frank Wulf-tange, Ray Alberti and Mike Gavin.

Coach McMullen said that the meet is a duel one and will work to the disadvantage of the San Jose Frosh because of their lack of depth. He predicted the best event will be a battle between vaulter Chuck Hightower and a Santa Rosa competitor. Hightower has cleared 13:3 this year and the Santa Rosa vaulter 13:4.

Coach Winter has predicted a close duel in the Varsity pole vault also. Owen Rhodes, San Jose's southpaw vaulter, will tangle with Fred Barnes of Fresno. Barnes was NCAA champion last year.

Sprinter Jack Albani's injured arch may keep him out of the meet. If this happens, Coach Winter said that Albani's place in the mile relay will be taken by Don Cruickshank. Other members of the relay team will be Gene Tognetti, Val Danials and Bill Stephens.

Teams To Obtain Softball Schedules

Managers of all intra-mural league teams are requested to pick up the schedules for the league at the Physical Education office today.

A request for umpires for the league has been sent out. Umpires will be paid \$1.50 per game. Players in one league can umpire games of the other league.

No team can play before a \$6 fee is paid to the Graduate Manager's office.

Thursday, April 22, 1954

SPARTAN DAILY 3

Palma's Single Gives Spartans Win at SF

Ron Palma punched a single into center field in the ninth inning to score Jim Coalter and give the Spartan varsity baseball team a 4-3 win over San Francisco State in San Francisco yesterday.

John Oldham had control problems early in the game but settled down to pitch five-hit ball and gain his fifth win.

Shruder Willet, pinch hitting for Bill Anderson in the ninth, doubled to lead off the decisive frame. Coalter was sent in to run for Willet. Palma, hitting for Ron Kauffman, delivered with a line drive single into center to give the Spartans the lead.

Oldham, who gave up seven walks in the contest, set the Gators down in order in the ninth to make the season record read seven wins, six losses and one tie.

The Spartans scored first in the contest with Don Visconti singling to left field and scoring on Dick Brady's fly to right field.

San Francisco bounced right back with a run of their own on a walk, a wild pitch advancing the runner to third and a passed ball scoring the run. The Gators scored two more in the second on four walks and a fly ball.

San Jose tied up the ball game

with a two-run rally in the third. Oldham made first on an error and scored on Ron Walters' single to right. Walters scored on Brady's single to center.

With the ball game tied up, the San Francisco fog rolled in. The last few innings were played in semi-darkness as the fog rolled into the outfield.

Brady led the hitters with two for four.

Education Lists Places For Early Registration

Dr. G. W. Ford, of the education department, has released the dates for pre-registration of fall quarter student teachers and observers.

Observers or student teachers are asked to register on the following dates:

Real Gone Guy Digs Feather-Flappers -- That's the Birds

"Hey Mac, did you dig the bevy of feather-flappers a'standing in them winder boxes?"

This might be the reaction of a real "gone" guy after seeing the new display of California birds in the library showcases.

Donated by Mrs. Rollo Beck in September, the collection of Central California birds is valued at about \$8000, and is used frequently by nature study classes.

Audrey Berglund and Mary Arnold, graduate students, planned and set up the display. Dr. Richard Mewaldt, new ornithology professor, is helping in classification of the collection.

The collection was named in memory of Beck, a professional collector of birds.

Alpha Chi Epsilon Plans Clip Session

Cutting out pictures from magazines and sending them to destitute schools in India is a project of Alpha Chi Epsilon, kindergarten-primary society.

The agenda for tomorrow night's meeting in Room 13 at 7 o'clock includes work on this project and a panel discussion on student teachers' experiences, announces Miss Mabel Crumby, Alpha Chi Epsilon adviser.

Photography Prof To Judge Photos

Photography Professor George E. Stone has been invited to judge the Bay Counties Council of Camera Clubs regional salon this week, in San Leandro.

On Tuesday night he was guest lecturer at a combined meeting of the Los Gatos and Saratoga Camera Clubs. He talked on the subject of "Composition."

Religion-in-Life Week Will Feature Lectures

What can a modern student believe about God, about the purpose of life, about the world in which he lives, and about himself?

These and other related questions will be answered by Dr. Boyce Van Osdel, pastor of the Calvary Baptist Church on San Bernardino, in the College Memorial Chapel at 9:30 a.m., on Monday, April 26. He will open the lecture series for the fifth annual Religion-in-Life Week, April 25-30.

Intended to give students an insight into their own religious convictions and how their faith helps them to discover meaning, stability and purpose in an atomic age, the lecture series will feature four different speakers representing four major religious traditions.

Hitoshi Tsufura, executive secretary of the Young Buddhist Association of America, will speak Tuesday morning at 9:30.

Tuesday afternoon at 2:30, Rab-

bi Irving I. Hausman, of Temple B'nai Israel, Sacramento, will present the Jewish answer for faith in today's world.

Father Daniel Charleton, S.J., from the Sacred Heart Novitiate, Los Gatos, will outline on Thursday morning at 9:30 in the chapel what a modern Catholic believes. Both he and Dr. Van Osdel will have a second period to show the relation of their faith to the issues of life today. Dr. Van Osdel will speak Wednesday afternoon at 2:30 and Father Charleton on Friday morning at 9:30.

The speakers will be available for personal conferences and interviews during the Week.

Sororities To Hold Panhellenic Workshop at SJS Saturday

The third annual Panhellenic workshop will be held here Saturday, according to Miss Helen Dimmick, dean of women.

Under the general chairmanship of Coleen Collins, Alpha Phi, the workshop will begin with registration at 8:30 a.m. From 9:15 to 10 a.m. it will hold a general session in Morris Dailey auditorium.

Dean Dimmick said it is national Panhellenic policy for each in-

stitution to hold an annual workshop.

Sorority problems will be discussed by groups from 10:15-11:45 a.m. Discussions will be followed by lunch.

Participants will give summaries of their discussions in the final session from 1:15 to 2:30 p.m.

Co-Rec Tonight

All ASB card holders are invited to attend Co-Rec tonight in the women's gym from 7:30-10 o'clock. Scheduled for the evening are social dancing, badminton, volleyball, and ping-pong.

Air Group Invites Fifteen Colleges

Fifteen colleges will be invited to the Alpha Eta Rho invitational air meet to be held at Hillview airport May 22, according to Ken Walton, fraternity member.

Colleges from all over the state will be invited and an awards dinner will be held the evening after the meet, Walton said.

Bob Kruse and Lee Daum are co-chairmen of the meet. Gurdial S. Dhatt is in charge of ground operations and Rene Schoennauer is in charge of air operations. Ray Kinney is in charge of the awards and the dinner.

Group Plans Visit

Twenty-five members of the Air Science "Two" group will journey to Palo Alto tomorrow afternoon to inspect the Hiller Aircraft Company.

They will observe the development and construction of the new Hiller helicopter and witness the craft in action. Instructor Maj. Stanley Martin will accompany the group.
